

Student Internet Contract

You may distribute the following Student Internet Contract to students. The Student Internet Contract asks for students to act responsibly at any time they are using the computer and calls for students to monitor their own activities.

Student Internet Contract

Below are policies that will regulate our use of the Internet. These rules have been designed to keep our computer and classroom functioning at the highest of standards. In order to have access to E-mail and the Internet, please read the following and sign below.

For safety reasons, when using E-mail or the Internet:

1. I will not give out personal information such as my home address, parental information, or school name or location without the permission of my teacher.
2. I will immediately notify my teacher if I come across any information that makes me feel awkward.
3. I will never get together with someone I have "met" on-line without first getting my parents' and teacher's permission. If they agree, I will still bring an adult with me.
4. I will never forward my picture or anything else without first getting my teacher's approval.
5. I will not return any messages that are inappropriate or make me feel uncomfortable. If I receive a message like this, I will notify my teacher.

The following activities are illegal, and I will not willingly participate in them:

1. Gaining unauthorized access to any place I am not supposed to be.
2. Disrupting any computer system.
3. Contributing to help spread electronic viruses.
4. Engaging in any illegal activity on-line.

I am aware that any on-line correspondence I send is a reflection of my school and myself.

1. My messages will be short, courteous, and to the point.
2. I will not use obscene language, engage in personal or discriminatory attacks, or post false or misleading information about individuals or organizations.

I will not access, download, or distribute:

1. Any pornographic, obscene, or sexually explicit materials.
2. Inappropriate information or graphics.

These policies and procedures must be adhered to, and any violation of them will be met with zero tolerance.

- **Students must abide by their signed contracts.**
- **The use of the computer is a privilege, not a right.**
- **If this contract is broken, the student's privilege will be revoked.**

I have read the "Student Internet Contract" above. By signing below, I fully agree with and understand the contents of this contract. If I breach any rules, I understand my Internet and computer privileges may be revoked.
